TEXTILES

Carolina offers an extensive program of graded-in textiles including fabrics, leathers, vinyls, polyurethanes and Cryptons® from the industry's finest sources. While our binders may not include cards from every supplier, we do maintain programs with Arc Com, Architex, CF Stinson, Maharam, Momentum, and UltraFabrics. In order to expedite your order, Carolina will handle the purchase and receiving of textiles from these suppliers if you so choose. A list of graded-in patterns from these quality suppliers can be found in the following pages.

FABRIC PUDDLING

The content of certain fabrics make these fabric susceptible to puddling and wrinkling over which Carolina has no control. Slight changes in weather and humidity can affect these fabrics. Carolina will not assume responsibility when this happens.

FABRIC COLOR MATCHING

Carolina does not guarantee and will not assume responsibility for the fastness of colors or wearing qualities of any material. Because of industry dye lot variations, colors may not match exactly. Any adjustments made will depend upon the fabric manufacturer's willingness to stand behind their product.

DIRECTIONAL FABRICS

Directional fabrics such as plaids, stripes and certain patterns may not meet your expectations due to certain sewing patterns, tufting and contoured shapes of certain styles and models. When required we will upholster to customer specifications but such orders are not subject to return. If you have a question or concern about one of these fabrics, please contact your Carolina Customer Service Representative and submit a fabric sample for approval prior to placing an order

CUT YARDAGE FABRICS

Cut yardage from any Carolina textile partner may be purchased through Carolina. Contact Customer Service for cut yardage pricing.

CUSTOMER'S OWN MATERIAL (COM)

All items are available with material furnished by the customer. Yardage requirements listed in our price list are based on 54" wide. We can take no responsibility for tailoring, wearability or application of COM covers. Carolina is not held responsible for receipt of defective fabrics, as we apply all COM as first quality goods. At no additional charge, Carolina will pre-approve any COM at the customer's request. The additional yardages are based on 54" wide goods. Please contact Customer Service if goods are less than 54" wide. Though every effort has been made to estimate excess yardage required for stripes and matches, Carolina takes NO responsibility where additional materials must be ordered.

CUSTOMER'S OWN LEATHER (COL)

If you desire to furnish your own leather, please figure 18 square feet per yard of 54" wide material, based on the yardage requirement listed for each model.

SHIPPING COM'S AND COL'S

All COM and COL packages must be marked clearly with the following information on BOTH the exterior package and the upholstery material when sent to the factory.

- Correct style number to which COM or COL is to be applied
- A sample of the COM or COL
- Instructions for proper application
- Manufacturer's pattern and color number
- Correct side of fabric

When no instructions are received with your COM or COL, we will use our own judgment with no recourse. Extended lead times may occur if COM or COL is not properly identified when received by Carolina. Carolina is not responsible for any unclaimed COM/COL 15 days beyond shipment of goods.
